One of our most popular products optimized for maximum fun, the Ricochet 12.0 Bouncer is an excellent alternative to Aquaglide spring trampolines. With its 12-foot diameter, the Ricochet 12.0 is ideal for smaller families. High-quality fully welded Duratex™ construction means the Ricochet 12.0 is built for years of worry-free fun and includes a C-Deck boarding platform for easier access than a rope ladder. Integrated D-rings provide attachment points for optional slide and log accessories or other Aquaglide Lakefront park accessories.

\*Also available in Ricochet 12.0 Aquapark, packaged complete with 12.0 bouncer, 12-14 slide, 50-50 log and C-deck.
