The Ricochet 16.0 is an expansive bouncer that provides good bounce characteristics without the complexity of a metal frame and springs and with plenty of space for family and friends to lounge. The included C-Deck platform makes boarding access more manageable than typical rope ladders used by other brands. Integrated D-rings provide attachment points for optional slide and log accessories or other Aquaglide Lakefront park accessories.

\*Also available in Ricochet 16.0 Aquapark, packaged complete with 16.0 bouncer, 16-17 slide, 50-50 log and C-deck.
